

## ProSeries™ PowerKnob

Edson's classic Stainless Powerknob is hands-down the best available on the market today. Available in three different finishes to compliment any boat, this is one accessory you won't know how you lived without.

- Stainless .....#969ST-18
- Gold ..... #969ST-18GO
- Teak ..... #969TK-18

## ComfortGrip™ PowerKnob

We've taken all the features of our proven Stainless PowerKnob and added rubber finger grips for even greater comfort and control! Soft rubber insert will stand up to the harshest environments without cracking or discoloring. A great addition to any wheel, it particularly compliments our ComfortGrip Steering Wheel.

- Stainless ComfortGrip .....#969ST-18CG

## Sportsman Series™ PowerKnob

As a follow-up to its extremely popular Stainless Pro-Series PowerKnob line, Edson's rugged and economical Sportsman Series™ PowerKnob features the same ball-bearing design and ergonomic shape as the ProSeries. The Sportsman Series Knob is built of black polymer and marine-grade stainless with precision milled bearing races.

- Composite Sportsman Series .....#967-18BL
